AWARENESS AT HALLENBAD CULTURAL CENTER RESPECT. CONSENT. SOLIDARITY.

“Awareness is an attitude that stands against all forms of discrimination, violence, and violations of personal boundaries.”

Hurtful and boundary-crossing behavior - including sexist, racist, homophobic or transphobic, ableist, or other forms of discriminatory abuse - is not tolerated here. At Hallenbad, we value respectful and considerate interaction.

Together, we have developed awareness principles, and our team has received appropriate training.

Our Awareness Team is available to you throughout the entire event. You can find us at the bar, at the tech booth, and in the entrance area.

You can identify us by our Hallenbad team clothing and, at large events, additionally by purple lanyards and vests.

If you are unable to openly ask for help, simply ask for **“Luise”**. We will then take you directly to the Awareness Team.

If you approach us, you will get help!

OUR PRINCIPLES

CONSENT

Only “Yes” means “Yes”. Always ask whether the other person is comfortable with what is happening between you. Pay attention to your surroundings, too: If someone behaves inappropriately or persistently toward you or your friends, or if your “No” is not respected, please reach out to us. You decide what you need – we are here to support you.

BOUNDARY VIOLATIONS

If you find yourself in a situation where your boundaries are being crossed, feel uncomfortable, or witness such a situation: Talk to our Awareness Team. We will listen to you, believe you, and support you.

DRUGS & CONSUMPTION

The consumption and sale of cannabis and illegal drugs are prohibited. However, one thing is important to us: Your health and well-being come first. If you have consumed something, are not feeling well, or experience symptoms that concern you, please contact the Awareness Team.

Take care of yourself: Drink water regularly and take breaks outside in the fresh air.

NO SHIRT, NO PARTY

We stand in solidarity with everyone whose bodies are sexualized. That’s why our rule is: No toplessness. Please choose your clothing accordingly. We also ask artists to show solidarity with this principle.

DISCRIMINATION

We do not tolerate any form of discrimination. If you experience or witness discrimination at our venue, please contact our Awareness Team. Diversity and inclusion are important to us. At the same time, we know that we are not free of mistakes either. If you notice something, please feel free to speak to us – it’s the only way we can improve.

CONSEQUENCES

Anyone who does not respect our principles will be required to leave Hallenbad. If your behavior before or during an event puts the safety of other guests at risk, we reserve the right to exclude you from the event. Take responsibility for your behavior and reflect on any boundary-crossing or discriminatory actions.
